ever receive the proper balance of food to sufficiently nourish both body and mind during the growing period when nature's demands are greater than in mature life. This is shown in so many pale faces, thin bodies, frequent colds, and lack of vitality.

For all such children we say with unhesitating emphasis: They need Scott's Emulsion, and need it now. It grows in concentration from the very best elements to enrich the blood. It changes weakness to strength; it makes them start and grow. No alcohol.

## 'WONDERFUL' STUFF! LIFT OUT YOUR CORNS

Apply a few drops then lift corns or calluses off with fingers—no pain.

No humbug! Any corn, whether hard, soft or between the toes, will loosen right up and lift out, without a particle of pain or soreness.

This drug is called frezone and is a compound of ether discovered by a Cincinnati man.

Ask at any drug store for a small bottle of frezone, which will cost but a trifle, but is sufficient to rid one's feet of every corn or callus.

Put a few drops directly upon your tender, aching corn or callus. Instantly the soreness disappears and shortly the corn or callus will loosen and can be lifted off with the fingers.

This drug frezone doesn't eat out the corns or calluses but shrivels them without even irritating the surrounding skin. Just think! No pain at all; no soreness or smarting when applying it or afterwards. If your druggist don't have frezone have him order it for you.

## THIS IS CERTAIN

The Proof That Keytesville Readers Cannot Deny.

What could furnish stronger evidence of the efficiency of any remedy than the test of time. Thousands of people testify that Doan's Kidney Pills have brought lasting results.

Grateful endorsements should prove undoubtedly the merits of this remedy. Years ago people right in this locality testified to the relief they had derived from the use of Doan's Kidney Pills. They now confirm their testimonials. They saw that time has completed the test.

J. W. Rose, carpenter, 418 W. Lincoln Ave., Carrollton, Mo., says: "Years ago I used Doan's Kidney Pills and they strengthened my back and stopped all signs of kidney trouble so that I could do my work." (Statement given December 9, 1911).

PERMANENT BENEFIT. On July 6, 1916, Mr. Rose said: "It has not been necessary for me to use Doan's Kidney Pills in a long time, for the benefit they gave me has been permanent."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Rose has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.

## CLIMBED STAIRS ON HER HANDS

Too Ill to Walk Upright. Operation Advised. Saved by Lydia E. Pinkham's Vegetable Compound.

This woman now raises chickens and does manual labor. Read her story: Richmond, Ind.—"For two years I was so sick and weak with troubles from my age that when going up stairs I had to go very slowly with my hands on the steps, then sit down at the top to rest. The doctor said he thought I should have an operation, and my friends thought I would not live to move into our new house. My daughter asked me to try Lydia E. Pinkham's Vegetable Compound as she had taken it with good results. I did so, my weakness disappeared, I gained in strength, moved into our new home, did all kinds of garden work, shoveled dirt, did building and cement work, and raised hundreds of chickens and ducks. I cannot say enough in praise of Lydia E. Pinkham's Vegetable Compound and if these facts are useful you may publish them for the benefit of other women."—Mrs. M. O. JOHNSON, Route D, Box 190, Richmond, Ind.

## Sour Stomach

This is a mild form of indigestion. It is usually brought on by eating too rapidly or too much, or of food not suited to your digestive organs. If you will eat slowly, masticate your food thoroughly, eat but little meat and none at all for supper, you will more than likely avoid the sour stomach without taking any medicine whatever. When you have sour stomach take one of Chamberlain's Tablets to aid digestion.

## Two Eggs At Once

The old saying that a hen cannot lay two eggs at once must pass to the discard. Henry Man, colored tenant on the Prather farm west of town has the eggs to disprove the aphorism. He has a hen which laid a very large egg. Breaking this, another perfect egg, in its shell and about the size of a bantam hen fruit was found. Henry is going to bring the evidence of his hens increasing production for war times to this office, that is, if he does so soon or put the eggs in a glass cold storage. Actually or metaphorically, no odorless egg for us, no matter what they are intended to prove.
